

McCurtain Technology Group - Demo CD Guide

This Demo CD contains demo versions of our Cessna 150 Service Manual CD and Cessna 150 Parts Catalog CD. It also contains version 5.05 of the Adobe® Acrobat® Reader™. **The Acrobat Reader version 5.0 (or later) is required to view the documents.** Earlier versions of Acrobat Reader are not compatible with the documents on this CD-ROM.

The Cessna 150 Service Manual and 150 Parts Catalog on this CD function normally but contain only the first 100 pages or so from each manual.

System Requirements

The minimum computer system configuration for running this CD:

Microsoft Windows 95/98/98 SE/ME/2000/XP/NT 4.0 with Service Pack 5, Intel Pentium processor (or equivalent), 64 MB RAM, 24MB of available hard-disk space and 4X CD-ROM Drive.

The recommended minimum computer system configuration for running this CD:

Windows 98/2000/ME/XP/NT 4.0 with Service Pack 3.0 or later, Intel Pentium (or equivalent) 400 Mhz processor or faster, 128 MB RAM, 24MB of available hard-disk space and 24X CD-ROM Drive.

Installation Instructions

The files on this CD are in Adobe PDF (portable document format). If the Adobe Acrobat Reader is already installed on your computer then *no* installation is required. This CD is designed as an 'Autoplay' CD. It should execute automatically after being loaded into your computer's CD-ROM drive. If it doesn't, then autoplay may have been disabled on your computer. In that case, follow these steps to run the CD;

1. Click on the Start button in the lower left corner of your desktop.
2. Select Run.
3. Type 'X:\autorun.exe'
(Replace X with the letter designation of your CD-ROM drive)
4. Click the OK button

Using the CD

There are 3 primary selection types on the opening title screen. To activate a selection, just put the mouse pointer on the desired selection and click the left mouse button.

1. View a manual - selecting this will open a selection for viewing. If this doesn't happen, the likely cause is that Adobe Acrobat Reader is not currently installed on your computer. To confirm whether or not Adobe Acrobat is installed on your computer, click on 'Start', 'Programs', and look for Adobe Acrobat in your program list.

2. Visit the MTG Website – This will connect you to our home page on the Internet (assuming you have an Internet connection). Our address on the web is www.mccurtaintg.com.

3. Install Adobe Acrobat Reader 5.05

Select this option if Adobe Acrobat Reader is *not* currently installed on your computer, or if you have an older version of Acrobat Reader installed on your computer. If you have an earlier version of Acrobat Reader installed on your computer, you must upgrade to 5.0 (or newer) to access the PDF documents on this CD-ROM. First uninstall the existing version and then restart your computer before installing version 5.05. You can also get the latest version and support for Adobe Acrobat Reader at Adobe's Website, www.adobe.com.

To exit from the CD, click on the close button (X) in the upper right corner of the opening title screen.

To exit from the manual or our from Website, click on the close button (X) in the upper right corner of the window. This will return you to the opening title screen.

To exit from the Help Page, click on the close button (X) in the upper right corner of the window. This will return you to the opening title screen.

Printing with Adobe Acrobat

When you use the print command, the print confirmation window will be displayed. We suggest the following setting for obtaining the best print results:

1. The option "**Print as image**" should be selected (check mark).
2. The option "**Shrink oversize pages to paper size**" should be off (no check mark) for printing 8.5 x 11 pages. (If page truncation occurs, turn this option back on)
3. The option "**Comments**" should be selected. Some of our products contain revision information made using the Comments tool. They will not appear on printed pages if the Comments option is turned off at print time.

Also note that when printing, the print confirmation screen offers several Print Range options: **All**, **Current page**, or **Pages from: __ to: __**. The default is **All** so be sure to specify the correct option at print time.

ADOBE ACROBAT READER 5.05 – Setting GENERAL PREFERENCES

Our software products have been designed to work properly with specific settings in Adobe Acrobat Reader General Preferences. Below is information for confirming the proper settings in Acrobat Reader version 5.05.
